About the Friends of the National Library of Medicine

The Friends organization was formed in 1986 as a nonprofit 501(c)(3) organization to promote, publicize, and support the Library. The FNLM is a coalition of individuals, medical associations and societies, hospitals, health science libraries, corporations, and foundations, dedicated to increasing public awareness and use of the NLM, as well as to support its many programs in research, education and public service.
