

FRIENDS OF THE NATIONAL LIBRARY OF MEDICINE

Celebrate a Year of Support for the National Library of Medicine!

(From L) Donna Cryer, JD of the Global Liver Institute with the 2016 recipient of the Donald A.B. Lindberg Distinguished Health Communications award, Freda C. Lewis-Hall, MD, DFAPA, Chief Medical Officer and Executive Vice President of Pfizer Medical.

Former Director, Donald A.B. Lindberg, MD and Mary Lindberg stand next to their portrait commissioned by the Friends of the NLM at the unveiling at February 10, 2016. The portrait now hangs prominently just feet away from the Offices of the Director.

Dr. Francis Collins, NIH Director, administers the oath of office to Dr. Patricia F. Brennan, Director of NLM, during the swearing-in ceremony at the library on Monday, September 12, 2016. Dr. Brennan's sister, Dr. Jean F. McGuire, holds the commemorative copy of the US Constitution used for the event.

Courtney Aklin, Phd, Program Director, Office of Special Programs in Diversity at NIH, speaks with students about careers in science at the Science Pathfinders Mentoring in Medicine program in September 2016.

FNLM makes possible increased distribution of the NIH/NLM publication, *NIH MedlinePlus*, along with a sister publication in Spanish.
